

Diary of Paper and Digital Device Use in Work Practices – INFO 203, Spring 2013		
Description of Activity (date/time, approx. duration)	Description of Paper Resources Used and How Used	Description of Digital Devices Used and How Used

Note: **Spend 1 or 2 working days** documenting your use of paper and digital devices. Think about under what circumstances you use paper vs. a digital device. How you use paper and digital together. How you use these tools and resources in groups vs. by yourself. Consider **including photos** in your diary. *This diary is not to be turned in but you will use it for assignment 2 and for Flickr mini-assignment #2.*
