

IS 214 Needs Assessment and Evaluation of Information Systems

Usability Plan

Usability Plan

- Target market and competitors
- Users and objectives
- Methods and target dates
- Detailed plans for methods left for later

Usability Plan Purpose

- Communicate plan to the team
- Get agreement on market, competitor, users, and objectives
- Get planned methods onto development schedule

Usability Plan Assignment

- Prepare a draft of your usability plan
- See IS214 web site Assignments page for sample content and layout
- Due Feb 7 (or see me for exceptions)
